#### **Drop Off/Pick Up**

The best drop off/pick up point for the UC Hub and UC Refectory is Kirinari St from either Ginninderra Drive or College Street entries. We do note that for larger events such as Stonefest, these points may change and will be communicated via ticketholder email, our website and social media.

#### Wheelchair Accessible Entrance

UC Hub: Located on the ground floor level, the UC Hub is completely accessible from the main entrance and nearest accessible parking.

UC Refectory: Located on the next level up, the UC Refectory is accessible through an elevator around the back of the venue, it is 90m from the main entrance to the elevator. If you are attending the UC Refectory, speak to security at the main entrance, and a member of staff will escort you to the entrance.

## **Guide Dogs and Service Dogs**

Guide dogs and service dogs are welcome in uclivex venues. Please speak to someone at the bar if you would like water for your guide dog. We do note that there are louder noise levels and stage lighting that may require an alternative aid.
